## Construction Stops COVID's Mission

Building upon the strong base of COVID-19 preventative measures and standards established by the union construction labor-management partnership in the spring and summer, the building trades unions and their construction industry partners have teamed up with global and local public health experts to implement an industry model for COVID-19 safety and prevention.

The Construction Stops COVID Fund is registered as a non-profit corporation under the laws of the Commonwealth of Massachusetts and as a charitable organization with the Massachusetts Attorney General as a public charity under Section 501(c)(3) of the Internal Revenue Code. EIN: 86-1296226
